END OF TERM 2 NEWSLETTER

As Term 2 draws to a close and the school prepares for the second half of the year, we ask that all students and parents draw their attention to the production notice at the bottom of this newsletter and please could you all **fill this in and return it by Saturday July 9th at the conclusion of Term 2 at 12.45pm.**

May 30-1st saw a majority of the school sitting Jazz and Hip Hop exams and it was pleasing to have 100% passes and with all students gaining over 75% Fantastic! Congratulations to Charlotte Penman for gaining her Hip Hop Solo Performers Diploma and Stella McKinlay and Lauren Tonkin gaining their Jazz Solo Performer's Diploma. One must achieve 90% or more for their Diploma in order to pass. The speech Exams held Friday 10th was an extremely successful day with record students gaining Honours. Congratulations to Estella, Amber & Rosie gaining Honours Plus.

This next week sees the Tap and Contemporary Examinations commence on **Monday 27th - Wednesday 29th** of June, therefore there will be no normal classes run on these days. The rest of the week will be a normal timetable. The teachers are hoping for as good as results as for Jazz and Hip hop, so we do hope everyone is really practicing very hard. The Examiner's name is Miss Deborah Hale from Wellington.

The studio has provided many extra free lessons to bring the students up to speed with their work so all we ask in return is that the practice cds are back and every one does their best.

Could all parents check that your child has an exam notice and that their practice CD or tape is ready for return at their exam please. As you can imagine it takes many hours to catalogue and return to storage. We still have some CD's not back from the last set of exams as this makes it difficult to supply students with them next year.

We have had quite a few students away so if your child is absent for any reason it is necessary to phone in on 3774588, so that we have a record of this. We are also trying to ensure a good learning environment in class and wish to ask parents that students arrive on time for class, are neatly dressed in correct dance attire and have a polite respect for their teachers. It was great to have Mr Oscar back to give Hip Hop classes as he makes his way to live in Hollywood in August.

Good Luck for the exams everyone "Dance like no one is watching you and remember dance is the music made visible"

Below is the permission and costume kitset part payment slip. Would all parents please sign and cut off slip and attach costume kitset part payment by July 9th so that the material can be bought for you.
